To Whom It May Concern:

It is a pleasure to recommend Dooley Construction and especially Mike Dooley. He built my home in Tavernier approximately 12 years ago. It was completed on time and with finest quality. Mike is easy to work with, very accommodating and the best of all he stands behind his work. In the past 12 years he has maintained our home and handled minor repairs and emergencies in a prompt manner. Mike doesn't build a house and forget you!

Over the years, Mike has made several changes to our house. This summer he installed new decking while we were gone. He is currently re-doing a small cabin we have on the ocean. Mike handles jobs from cabin size to mansion size.

I recommend him highly.

Sincerely,
