

December 2, 2004

To whom it may concern:

Mike Dooley recently remodeled my home located on Old Highway on Plantation Key. The improvements were extensive and quite complex and our desire was for only the highest quality work. Mr. Dooley and his staff performed excellent work and we are *well satisfied* with the results. Mr. Dooley put together an excellent team of craftsmen that were not only talented but polite and respectful of our property and to us personally I would not hesitate to offer my highest recommendation to Mr. Dooley. He is honest and does everything within his power to provide complete customer satisfaction.

Sincerely,

A handwritten signature in blue ink that reads "Bob Williamson". The signature is fluid and cursive, with a long, sweeping tail that loops back to the right.
