Dear Perspective Dooley Customer,

If you are looking for a contractor who is going to be low bid and finish ahead of schedule, you are talking to the wrong outfit. What you do get from Dooley is workmanship that you will feel very comfortable with at a fair price and delivered in as timely a manner as is possible under current circumstances.

You will also find Dooley to be a person of integrity in that he doesn't verbally color facts or construe circumstances.

I invite a prospective customer to personally tour a recently completed facility, at which time you will see for yourself a finished product that one can be proud of.

Sincerely,

A handwritten signature in red ink, appearing to read "Hardy Morningstar", written in a cursive style.
