**RE: Letter of Recommendation**

Mike Dooley has asked that I write a letter of recommendation based on our professional association over the past years.

I've found Mike to be honest and straightforward in his approach to his work and business. He has demonstrated a high degree of trustworthiness and dedication to producing a product of the highest quality. Mike was diligent in every detail of the construction of my home, from the main house of 6,000+ square feet to the state-of-the-art greenhouse. He is respected and well-liked by every subcontractor involved, a critical component of maintaining a construction schedule.

Mike, and each member of his staff, takes great pride in what they do, and therefore, the end result is always outstanding. Further, I have recommended Dooley Construction to several friends and each has similarly enjoyed the experience of working with Mike and his firm.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Swerdlow", is written over a horizontal line.
